

SELF DISCOVERY QUESTIONNAIRE

Instructions:

1. Please answer the questions given below in complete sentences.
2. Do not write one-word answers.
3. Take your time to reflect deeply and thoughtfully before answering.
4. Round 1 is common for all age groups.
5. Round 2 is divided based on age:
 - If you are between 13 – 18 years old, answer the questions in Round 2 for students aged 13 – 18.
 - If you are 18+ years old, answer the questions in Round 2 for 18+
6. If you have any questions or doubts, please ask your mentor.

ROUND 1 - SELF DISCOVERY QUESTIONS

Self-Discovery Questions

1. What activities make you lose track of time?
2. What is something that you get really excited about most of the time? What is it?
3. What do you love talking about, regardless of whether others like or don't?
4. If school/Academics was over, how would you spend your days (daily routine)?
5. What kind of videos, articles, or posts do you keep scrolling through?

Creative and Skill-Based Questions

6. What do you enjoy making or creating most of the time?
7. Do you like working with your hands (physical engagement), your mind (ideating, analysing, visualizing), or with people (talking/collaborating)?
8. Is there something you're naturally good at without trying too hard?
9. Have you ever helped someone with a skill or talent of yours?
10. What kind of areas, topics or projects excite you?

Exploration and Exposure

11. If you could try any job for a day, what would it be and why?
12. What do you think your dream lifestyle looks like (mention all the things you like as a list)?
13. Who do you admire (in real life or online)? What do they do?
14. Which subjects or classes do you enjoy the most - and the least - and why?
15. Have you ever visited a space that made you think, "I want to be part of this"? (vibe, culture, ambience, people, way of doing something, their mission/cause)

Emotional Clues

16. What makes you feel proud of yourself?
17. What makes you feel confident?
18. What do you do when you're stressed or upset that makes you feel better?
19. What's one thing you always look forward to?
20. Do you prefer working alone or in a group? In fast-paced or calm settings?

Values and Meaning

21. What kind of problems in the world do you wish you could solve?
22. What's more important to you: money, creativity, helping others, or freedom?
23. Do you want your future job to be fun, meaningful, respected, or secure?
24. Would you like to travel for work, or stay close to home?
(If Travel mention frequency or duration)
25. What kind of difference do you want to make in people's lives? (Daily/regular basis)

Round 2 - Exploring Career Direction

(For Students, Ages 13–18)

Decision Clarity & Career Direction

1. Which of your skills or hobbies would you like to use regularly in the next 2–4 years?
2. What kind of work or field do you see yourself trying first after school - studies, internships, or part-time roles?
3. If you had two options - one job that pays well but feels boring, and one that pays less but excites you - which would you choose, and why?
4. Are there 2–3 areas (like tech, arts, sports, teaching, design, science, etc.) you'd like to explore through internships, workshops, or projects in the next couple of years?
5. What's one kind of work you would do happily, even if you didn't earn money for the first few months?

Mindset & Roadblocks

6. What's the biggest thing holding you back from exploring your interests right now?
7. What worries you the most about failing or making mistakes while choosing your career?
8. Are you more afraid of picking the “wrong” path or of not choosing anything at all?
9. Do you compare your choices with classmates or friends? How does that affect you?
10. When you get bored of something, do you usually quit quickly or stick with it? How might that affect your career choices?

Reality Check & Skill Gaps

11. What new skills do you want to learn in the next 2–4 years that will help you in college or work?

12. What type of work setting excites you more - working with a team, being independent, outdoors, office-style, or creating things?
13. Would you be open to learning from a mentor, teacher, or senior even if it feels challenging at first?
14. Which tools, apps, or platforms (like Canva, coding, video editing, Excel, etc.) are you curious to learn for future opportunities?
15. Is there someone (other than parents) you can talk to regularly for guidance about your career direction?

Short-Term Future Vision

16. Imagine yourself 2–4 years from now. What does a “successful” day look like for you?
17. What is one thing you would never want to compromise on in your career (e.g., fun, freedom, money, respect, learning)?
18. Would you like to create something of your own (like a small project or start-up) or be part of a group/organization to gain experience first?
19. How would you like your teachers, friends, or family to describe your efforts and work habits 2–4 years from now?
20. Looking ahead, what’s one regret you want to avoid in your career journey during your teen years?

ROUND 2 - Exploring Career Direction

(For Students, Ages 18 & Above)

Decision Clarity & Career Direction

1. Which of your interests or strengths do you see yourself using daily in your work?
2. Which career paths align with the lifestyle you want to live - and are actually realistic for you to achieve in the next 5-10 years?
3. If you had to choose between a job that paid really well but bored you, and one that paid average but excited you - which would you pick and why?
4. Are there 2–3 industries or fields you're currently curious about enough to intern or work next year?
5. What kind of work would you still do, even if nobody paid you for it for the first 6 months?

Mindset Check & Internal Blocks teaching

6. What's stopping you right now from going all-in on something you really want to explore?
7. What are you afraid will happen if you fail in your career journey?
8. Are you more afraid of choosing the wrong path or not choosing at all?
9. Do you compare your life decisions with your peers - and how does that impact your choices?
10. How do you handle boredom - and how might that affect your ability to stick with one path long enough to grow?

Reality Check & Skill Gaps

11. Which skills do you know you need to build in the next 1–2 years to be future-proof and employable?

12. What kind of work culture excites you - corporate, startup, outdoors, solo projects, or people-facing roles?
13. Are you open to mentorship or learning from someone ahead of you, even if it challenges your ego or comfort zone?
14. Which tools or platforms (Excel, Canva, coding, CRM, analytics, video editing, etc.) are you currently curious to master - not just for fun but for income potential?
15. Do you have 1–2 people in your network (not parents) who you can regularly talk to about career direction and accountability?

Long-Term Vision

16. Imagine yourself at 35 - what does a “successful” day look like for you?
17. What is your non-negotiable - something you won’t sacrifice in your career no matter how good the opportunity looks?
18. Would you rather build something of your own with high risk, or be part of a growing system with more stability?
19. How do you want people to describe your work ethic or contribution 10 years from now?
20. What’s the one big life regret you want to make sure you avoid?
